**Development layouts do not show final details of gradients of land, boundary treatments, local authority street lighting or landscaping. **Any dimensions shown of our homes are approximate; each home is built individually and so the precise measurements may vary from shown, although every endeavour is made to make the dimensions as accurate as possible. We may give maximum dimensions that include fitted wardrobes, sloping ceilings, bay windows, and any other features, etc.**

**Please note that any prices shown on our website are guide prices, which are correct at the time of being published, but are subject to change without notice. Please contact the company for accurate price information.**

**Please bear in mind that the furniture, soft furnishings and wallcoverings in our show homes are not part of our standard specification. Optional extras have been fitted to the show homes, some of which may be available for your own Neat Living new home. For further information, please contact the company for the development you are interested in.**
